

# Abdullahi Yakubu Yusuf

Qassim University, Mulaydah | +966502416278 | yakubuabdullahiyusuf56@gmail.com

## SUMMARY

Highly motivated and detail-oriented Computer Science graduate with a strong foundation in data analysis, data visualization with a basic knowledge of cybersecurity, and programming. Currently pursuing a Master's degree in Cybersecurity with hands-on experience in web – design and data-driven decision-making. Actively transitioning into DevOps engineering, with a focus on automation, cloud technologies, and continuous integration/continuous deployment (CI/CD) pipelines. Eager to leverage technical expertise and problem-solving skills to contribute to innovative DevOps projects.

## WORK EXPERIENCE

<b>Qassim University (COC)   Lecturer's assistant</b>	<b>2024 – Present</b>
<ul style="list-style-type: none"><li>Conducted interactive and instructional lectures on <b>device security and data analysis</b>, educating over <b>30 students</b> and improving coursework engagement by <b>20%</b>.</li><li>Assisted in designing lecture materials and grading tests, reducing grading time by <b>30%</b> through structured excel formulas.</li><li>Led hands-on lab exercises in data analysis and web development, enhancing practical skills for students transitioning into data analysts and web developers.</li></ul>	
<b>National Population Commission   Data Quality Manager</b>	<b>2023 – 2024</b>
<ul style="list-style-type: none"><li>Managed large-scale datasets, ensuring data accuracy and consistency using excel and SQL.</li><li>Automated data-cleaning processes using <b>Excel and SQL</b>, reducing errors significantly.</li><li>Cartography (Map Reading).</li><li>Led training sessions on Mobile Device Management (MDM) and GIS-based cartography, equipping 50+ personnel with data-handling skills.</li></ul>	
<b>Albarka Health Spring Foundation   Data Collector</b>	<b>2022 – 2023</b>
<ul style="list-style-type: none"><li>Collected, processed, and visualized health-related data using data collection tools like koboCollect, Power BI and Tableau.</li><li>Conducted structured interviews with more than 30 respondents, enhancing data reliability and research quality.</li></ul>	
<b>Amitech   Web Design Intern</b>	<b>2021</b>
<ul style="list-style-type: none"><li>Developed and optimized <b>responsive web interfaces</b> using <b>HTML, CSS, and JavaScript</b>, enhancing page load speed by <b>20%</b></li><li>Assisted in troubleshooting IT infrastructure, reducing downtime by 15% through proactive system maintenance.</li></ul>	

## Education

### Master of Science in Cybersecurity

Qassim University | 2024 – 2026

### Bachelor of Science in Computer Science

Kebbi State University of Science and Technology, Aliero | 2015 – 2020

## Skills & abilities

<ul style="list-style-type: none"><li><b>DevOps</b></li><li>Azure Cloud</li><li>Azure DevOps</li><li>Linux</li><li>Azure DevOps CICD</li><li>Python</li><li>AWS</li></ul>	<ul style="list-style-type: none"><li><b>Data Analysis</b></li><li>Data cleaning</li><li>Data Visualization</li><li>Power BI</li><li>Tableau</li><li>MS office</li><li>SQL</li></ul>	<ul style="list-style-type: none"><li><b>Soft Skills</b></li><li>HTML &amp; CSS</li><li>Research and Analytical skills</li><li>Written &amp; Verbal skills</li><li>Organization and Planning skills</li><li>Team Oriented</li><li>Instructional Skills</li></ul>
